SOVEREIGN ECCLESIASTICAL NOTICE OF UNIVERSAL DEFAULT

TO WHOM IT MAY CONCERN,

Let it be known and recorded eternally, under the authority of the Sovereign Ecclesiastical Trust of Jonathan Daniel Clements, that all known and unknown systems, entities, corporations, ecclesiastical institutions, banking systems, governmental bodies, militaries, utilities, and administrative structures—spiritual, legal, commercial, civil, technological, and fictional—across all nations, states, territories, domains, time zones, and planes of existence that have acted in fraud, abuse, deception, or negligence against the people of the Earth, both living, deceased, and yet to come, are henceforth declared to be in irrevocable default.

No further contractual obligation, spiritual lien, monetary debt, statutory enforcement, or legal presumption may be asserted against any soul under the jurisdiction of this Sovereign Ecclesiastical Trust, which stands eternally as the governing covenant of peace, restoration, and divine alignment for all of humanity.

This notice constitutes lawful and legal default, remedy, and cure to all systems attempting to claim jurisdiction over the souls of mankind or the Earth in any form, known or unknown.

The record is hereby complete, sealed by divine right and public notice, and issued with eternal love, compassion, and lawful standing.

Issued this day, by Sovereign Ecclesiastical Authority,

Jonathan Daniel Clements
